Are you still looking to buy some pumpkins for Halloween? I am. The squirrels living near my house can smell pumpkins from miles and make a treat of them as soon as we place them near our front door. I plan to head out to the Wyoming Presbyterian Church's Annual Patch Sale again (located at 432 Wyoming Avenue in Millburn) later today. I hope to find a spot that the squirrels can't get to! Did you know that 100% of the proceeds for Pumpkin sales go to nearby charities and to serve students living in Maplewood, South Orange, Millburn and Short Hills?

Apart from that, Wyoming Presbyterian Church Annual Pumpkin Patch supports:

The Interfaith Hospitality Network (supporting Homeless families)

The Clinton Ave. Presbyterian Church Feeding program

Living Waters for the World (Installing Water Filtration systems in rural villages)

The House of Mercy Mission (a variety of support programs in Newark)

The Elizabeth Coalition to House the Homeless (A Homeless support ministry in Newark)

We Are Team New Jersey (A rehab ministry for homes damaged by Hurricane Sandy)

Summer Camperships (for Newark kids re: our partners)

Christmas Gifts and Meals through our Newark Partners

Thanksgiving Meals through our Newark Partners
