

# NJ Swim Teaches Water Safety at Open Door Nursery School

BY: [VILLAGREENNJ](#) | JUNE 30, 2016 | [0 COMMENTS](#)

Before school let out, the students of [Open Door Nursery School](#) geared up for summer by inviting [NJ Swim](#) to the classroom to educate students on the importance of water safety.

Mr. Kyle of NJ Swim instructed the children how to be safe around pools, the ocean and lakes. He informed students on the importance of lifeguards and

floatation devices, helping to make Open Door Nursery School students smart and safe on all their summer water adventures.
